No monies will be paid by Master Developer directly to the Homeowner or the Prospect. ● Master Developer shall endeavor to process and pay all Homeowner Credits and Prospect Credits to Rancho MMC within ninety (90) days following the Prospect’s successful close of escrow on his/her sales contract. By virtue of the foregoing processing and payment period, Homeowners and Prospects should not expect to see any Homeowner Credits or Prospect Credits on their respective Rancho MMC assessment statements for at least ninety (90) days after the close of escrow on the Prospect’s sales contract. ● Rancho MMC shall apply the Homeowner Credit and the Prospect Credit (as appropriate) against the Homeowner’s and the Prospect’s General Assessment obligations until such time as the credits have been exhausted. However, a Prospect who is a real estate broker or sales agent may be eligible to receive a Prospect Credit if (i) the Prospect is not entitled to receive a brokerage commission or other sales-based compensation in relation to the Prospect’s acquisition of a new home within the Community and (ii) all other Program eligibility requirements are satisfied. ● The Program is applicable only to second party referrals. A Homeowner is not eligible to be a Prospect. ● The Program is applicable only to the sale of new homes within the Community. Resales of homes within the Community are not eligible under the Program. ● One (1) Homeowner Credit and one (1) Prospect Credit will be awarded in connection with the successful close of escrow of an eligible Sales Contract. ● OPPORTUNITY FOR HOMEOWNERS TO RECEIVE MULTIPLE HOMEOWNER CREDITS. If an eligible Homeowner introduces the Community to multiple Prospects during the New Program Period, and said introductions result in the successful close of escrow on multiple Sales Contracts, then (subject to all other Program terms, requirements and limitations) the Homeowner shall be entitled to receive one (1) Homeowner Credit for each such Sales Contract that successfully closes escrow. <ul style="list-style-type: none"> ○ <i>Note:</i> This is different from the Program rules that were in effect during the Initial Program Period and Extension Period One, which established a maximum of

	<p>one (1) Homeowner Credit per Homeowner (irrespective of the number of Prospect introductions made by the Homeowner that resulted in successful Sales Contract closings). This limitation was removed in connection with Extension Period Two.</p> <ul style="list-style-type: none"> ○ <i>Further Note:</i> The opportunity to receive Homeowner Credits during the New Program Period applies only to Prospects introduced to the Community - and Sales Contracts entered into - during the New Program Period. If a Homeowner introduced a Prospect to the Community during the Initial Program Period, Extension Period One or Extension Period Two, said Prospect shall not be deemed an eligible Prospect for purposes of implementing the Program during the New Program Period. Rather, Prospect eligibility (and the right to receive Homeowner Credits) for the Initial Program Period, Extension Period One or Extension Period Two shall be determined in accordance with the Official Rules in effect at the time when the Prospect was introduced to the Community and the Sales Contract executed. ● For purposes of awarding and applying Homeowner Credits under the Program, the term “Homeowner” means the collective owners of a single residence within the Community. If a residence is owned by more than one (1) individual or entity, then only one (1) Homeowner Credit shall be awarded to the collective owners of the residence. ● For purposes of the RAF (specifically) and the Program (generally), “Prospect” shall mean all individuals/entities identified as “Buyer” or “Purchaser” in the Sales Contract. Assuming all Program requirements are satisfied, only one (1) Prospect Credit shall be awarded in relation to the purchase of a new home within the Community – irrespective of how many individuals/entities are identified as “Buyer” or “Purchaser” in the Sales Contract. ● A Prospect may prepare and submit only one (1) RAF. Multiple RAFs (which identify more than one (1) “Referring Party”) will not be accepted by Master Developer. If Master Developer receives more than one (1) RAF in connection with a specific Sales Contract, Master Developer shall have the right, in its discretion, to (i) select which RAF is applicable to the Sales Contract or (ii) disqualify the Prospect from the Program. In the event of any such disqualification, neither the Prospect nor the Homeowner shall be eligible to receive a Prospect Credit or a Homeowner Credit (as applicable) in relation to the relevant Sales Contract. ● If a Homeowner (i) receives a Homeowner Credit and (ii) thereafter sells, transfers or otherwise conveys his/her Community residence prior to Rancho MMC’s full application of the Homeowner Credit, the unapplied value / portion of the Homeowner Credit shall be deemed forfeit. In no event shall the unapplied value / portion of the Homeowner Credit be transferrable to the new owner of the Homeowner’s Community residence; nor shall the Homeowner be entitled to a credit, refund or offset in an amount equal to the unapplied value / portion of the Homeowner Credit. Moreover, the Homeowner shall continue to be responsible for all taxes associated with the full value of the Homeowner Credit, even though a portion of the Homeowner Credit was deemed forfeit. ● The Program is at the sole discretion of Master Developer and may be cancelled or modified at any time by Master Developer without notice. Moreover, Master Developer has the right to suspend or terminate the Program at any time with or without notice. ● Master Developer may rescind a Prospect Credit at any time if any information provided by the Prospect (whether in the RAF or otherwise) proves to be false or misleading or if the Prospect violates any of the program rules. Similarly, Master Developer may rescind a Homeowner Credit at any time if any information provided by or concerning the Homeowner (whether in the RAF or otherwise) proves to be false or misleading or if the Homeowner violates any of the Program rules.
<p>Program Clarifications (10/1/18)</p>	<ul style="list-style-type: none"> ● Neighborhood Builders are responsible for ensuring that their sales offices / teams have a complete understanding of the Program and its rules (as may be amended from time to time). Master Developer will <u>not</u> be responsible or liable for the actions of Neighborhood Builders (acting directly or through their sales offices / teams) in providing incorrect or incomplete information regarding the Program and/or its rules to Homeowners, Prospects or any other parties. ● Neighborhood Builders’ sales offices / teams are responsible for responding to questions

	<p>presented by Homeowners, Prospects and others regarding the Program and its rules – not Master Developer. If a sales office or team is unable to answer a particular question, the sales office / team may ask Master Developer for assistance. The sales office / team shall be responsible for relaying Master Developer’s answer to the party who/that presented the question. <i>Master Developer will not accept direct inquiries or questions from Homeowners, Prospects or others; sales offices / teams shall not advise or encourage Homeowners, Prospects or others to contact Master Developer.</i> If Master Developer is contacted directly by a Homeowner, Prospect or other party regarding the Program or its rules, Master Developer shall refer the individual to the relevant Neighborhood Builder and the Neighborhood Builder shall be responsible for resolving the question.</p>
